

# Important sexual health service information

**All of our walk-in and wait clinics will become appointment only clinics until further notice.**

This is a precautionary measure due to Coronavirus.

Appointments must now be made on the phone, by calling **0300 124 0102**

Service users will be asked questions on the phone about recent travel and symptoms, to determine the best service option for them.

We may need to close clinics at short notice. Find the latest clinic information on [www.leicestersexualhealth.nhs.uk](http://www.leicestersexualhealth.nhs.uk)
